Statement by the Author / Authors

The author/authors of the article submitted for publication in the journal "**Zoon Politikon**" (hereinafter referred to as "the work"):

.....
[the title of the article]

declare/s that:

1. The work does not infringe the rights of third parties.
2. He /they grants the Publisher of the journal "**Zoon Politikon**" the non-exclusive, royalty-free license to use his/their work in the following fields of use:
 - a. production of copies of the work by any means, including print, reprographic, magnetic storage and digital technique;
 - b. placing on the market, lending or rental of the original or copies of the work;
 - c. public performance, display, broadcasting and re-broadcasting, and communication to the public of the work in such a way that everyone can have access to it at a place and time chosen by them.
3. The author/authors permit/s the Publisher to use and dispose the coverage of his work. Author / Authors allow/authorize the Publisher to prepare an English version of the article for the purposes of the task: Creation of an English version of the journal Zoon Politikon financed under the agreement 724 / P-DUN / 2018 from the funds of the Ministry of Science and Higher Education for dissemination activities.
4. The license is granted for a defined period of 5 years and after this period it shall be automatically extended for an indefinite period of time, without the need to submit any additional statements to this end.
5. The license is not limited territorially.
6. The Publisher may grant sub-licenses.
7. Under the license obtained, the Publisher may, in particular, publish the work in print and electronically within the journal published, make the work public under the Creative Commons license (sub-license) chosen by the Publisher, and also transfer the work and its metadata into commercial and non-commercial research publication databases.
8. the article is original, written by the given author/authors, has not been previously published, does not contain any unlawful statements and does not infringe the rights of third parties.
9. There is no conflict of interest that occurs when the author/authors are financially reliant in a way that improperly influences their activities related to the published article.
10. All persons who have made a significant contribution to the development of the publication have been disclosed as co-authors or mentioned in the acknowledgements.
11. Any links of the author/authors to the interested parties in the publication of the article are disclosed in the text or in a separate letter to the Editor.
12. If the article is a work of more than one author, all authors mandate the person who submitted it for publication in the journal to act on their behalf.

The authors of articles published in the journal "**Zoon Politico** " fully retain the following rights:

- All ownership rights related to the article, including copyright,
- The right to use the basic content of the article in their own work, including lectures and books.
- The right to reprint the article for their own purposes,
- The right to place the article on public servers and digital repositories, and leaving them there.
